

**We're
Back!**

As most of you are aware, the Local 148 Charity Bass Tournament, benefiting Ronald McDonald House of St. Louis, was canceled for 2020. Although it was a very difficult decision, the tournament committee decided it was in the best interests of tournament staff and entrants to cancel the tournament due to health concerns surrounding Covid-19.

Now, however, the tournament committee is proud to announce we are bringing the tournament back on Friday and Saturday, September 10th & 11th, 2021! We are very optimistic that Covid-19 concerns will be much alleviated come tournament time, and will take whatever requirements necessary at that time to provide a safe and healthy tournament.

Therefore, we ask that you join us once again for a fun filled two days of fishing and fellowship for a good cause. We are happy to announce that the benefactor of all tournament proceeds will once again be Ronald McDonald House of St. Louis.

We hope to see you on September 10th & 11th and bring some friends! Thank you!

Tournament Chairman – Keith Linderer

CHARITY HISTORY

On September 10 & 11, 2021, IUOE Local 148 will host its 34th Annual Charity Bass Tournament at Public Beach Area #2 at Lake of the Ozarks. For 33 years, a group of Local 148 volunteers (both active and retired members) have donated a weekend to raise money for organizations that battle childhood diseases. Since its inception at Sterett Creek on Truman Lake in 1989, this "one of a kind" tournament has raised over \$1.8 million dollars for Cystic Fibrosis, Leukemia & Lymphoma Society, Cardinal Glennon, and now Ronald McDonald House Charities® of St. Louis. The tournament was able to donate \$35,000 to Ronald McDonald House from the 2019 tourney!

The tournament is designed to allow your everyday non-tourney fishermen the opportunity to have a fun day of fishing along with helping out a good cause. Anglers that have earned over \$5,000 in tournament earnings in the preceding year are not allowed to participate. Because of the desire to provide as many of the proceeds as possible to the charity, the top prize for the winning boat stringer is \$1000, with a 10% total payout of prize money. In addition, there are three places paid for Big Bass and there is also a payout for a "Guys & Gals" winning stringer. One lucky fisherman will also win the grand attendance prize with a value of \$2,500; each registered entrant's name will be included in the grand prize drawing, but you must be in attendance to win.

Along with the prize payouts and grand attendance prize, the fishermen receive a lot of other "bang for their buck" with the \$75 entry fee (\$150 per two-man boat). During Friday

(CONTINUED ON BACK SIDE)

evening's pre-tourney check-in, there is a bratwurst dinner with beer, soda and chips. Following the weigh-in on Saturday afternoon, there is a pork steak dinner with beer and soda, and drawings for numerous attendance prizes. The fishermen will also have the opportunity to participate in a silent auction, live auction, and gun raffle to provide additional donations to Ronald McDonald House. Please join us on September 10th & 11th for a fun time, and for a worthy cause!
